says:10
Cents

I am a practising physician.
I have smoked "Helmar"
Turkish Cigarettes for years.

I consider "Helmar" Turkish Cigarettes
the perfect example of pure, healthful
tobacco enjoyment.

My best professional judgment prompts
me to recommend them.

The mildest tobacco for cigarettes is Turkish.

The best tobacco for cigarettes is Turkish.

Don't pay ten cents for anybody's cigarette until
you have tried "Helmar," a fascinating, elevating,
gentleman's smoke.

SAVE YOUR HAIR
AND KEEP YOUR JOB

Says Men Are Paying More Attention to
Hair Than Ever Before

Tens of thousands of men are losing
their hair daily and ignoring the fact. Many a man
has lost his job because he lost his hair.

Dandruff and dirt make dandruff and dandruff
makes heads bald and bald heads are the first
to go when business is poor.

Wash your hair at least once a week with
any pure soap and frequently apply Parisian
Sage, rubbing it thoroughly into the scalp.

Parisian Sage will save your hair and pro-
mote a healthy growth; it quickly removes
every trace of dandruff, banishes scalp itch
and makes your head feel fine.

The cost of a large bottle is trifling, but the
benefits are very great, as every druggist well
knows. The Red Cross Pharmacy cheerfully
guarantees Parisian Sage to you.—Adv.

The readers of this paper will be pleased to
learn that there is at least one dreaded disease
that science has been able to cure in all its
stages, and that is Catarrh. Hall's Catarrh Cure
is the only positive cure now known to the med-
ical fraternity. Catarrh being a constitutional
disease, requires a constitutional treatment.
Hall's Catarrh Cure is taken internally, acting
directly upon the blood and mucous surfaces of
the system, thereby destroying the foundation
of the disease, and giving the patient strength
by building up the constitution and assisting
nature in doing its work. The proprietors have
so much faith in its curative powers that they
offer one hundred dollars for any cure that it
fails to cure. Send for full particulars.

HAIR COMING OUT?

Dandruff causes a feverish irritation
of the scalp, the hair roots shrink, loos-
en, and then the hair comes out fast. To
stop falling hair at once and rid the scalp
of every particle of dandruff, get a 25-
cent bottle of Danderine at any drug
store, pour a little in your hand and rub it
into the scalp. After a few applica-
tions, the hair stops coming out, and you
can't find any dandruff.—Adv.
